# ARETÉ ROUNDTREE

ARETÉ IS THE FULL REALIZATION OF POTENTIAL. BEYOND MORAL  
OR PHYSICAL GOODNESS, THE GREEK CONCEPT OF ARETÉ IS ABOUT  
BECOMING THE BEST YOU CAN BE. YOU, WHOLLY OPTIMIZED  
AND BEAUTIFULLY REALIZED.

## A SACRED PAUSE

Every element of our Areté Roundtree wellness offering is intentionally and carefully unstructured. Our goal is to meet you where you are, offering you space, experiences and support to find your own way and craft your own wellbeing journey.

There are no rigid schedules or hours-long bootcamps – just endless opportunities to discover what truly brings you lasting health, peace and happiness. Ours is an organic fitness enclave, set in the natural beauty of our Hamptons locale. Every season offers ways to move, breathe and unwind at your own pace. In warmer months wander along coastal trails, cycle through sunlit paths, leap into the Atlantic, or practice yoga by the sea. Cooler months offer crisp beach walks, hiking, cycling and mat Pilates. Join a sound bath or guided breathwork session or simply slow down, relax and meditate.

Here, your wellbeing is entirely your own – refined, restorative and effortlessly luxurious.

## A TASTE OF RENEWAL

Great food is at the heart of our wellness philosophy - vibrant, abundant, joyful and nourishing food crafted from the finest ingredients and prepared with care. From a Chef Dewa “Plant-Powered Hamptons Brunch” workshop to cold- pressed juice tastings, to a personal petit fete’ with the master himself, you’re invited to explore flavor, seasonal ingredients and cooking methods that will enrich your relationship with food now, and forever.

## CURATED CULINARY

WHEN FOOD IS GUIDED BY INTUITION AND INTENTION, EVERY  
COURSE BECOMES A CONVERSATION BETWEEN BODY, SPIRIT  
AND PLACE.

### CHEF DEWA

The Roundtree's Personal Chef in Residence, Chef Dewa, is a French-trained chef widely regarded as a pioneer in redefining wellness cuisine. His storied career includes tenures as the Executive Chef of COMO Shambhala Estate, a grand dame and innovator amongst luxury wellness resorts around the world, and COMO Parrot Cay, an award-winning Turks and Caicos resort set on its own private Caribbean Island.

Chef Dewa's culinary ethos is rooted in a philosophy that true sustenance begins with a reverence for nutrient-rich, locally sourced ingredients, where each creation is a celebration of wellness. Intuitive and intentional, guided by centuries old traditions and a modern understanding of nutrition, Chef Dewa blends mindful sourcing and plant-forward ingredients to harness the healing power of food. More than a healthy and flavorful meal, he invites us to slow down and experience dining as a restorative practice. Divinely designed, every culinary encounter from Chef Dewa's kitchen honors the essential, the nutritious and the delightful.

### NOURISH THE BODY & SPIRIT

Exclusively for our Roundtree guests, Chef Dewa creates a bespoke menu tailored to your tastes and preferences. Dishes are consciously curated to invite the richness of the region into each guest experience. An alchemy of masterful preparation and mindful ingredients creates flavors that are pure, clean and deeply satisfying—a delicious sensory reset that aligns with the tranquil rhythm of your stay.

More than a dining experience, mealtimes become a ritual of care: quietly luxurious, thoughtfully seasonal, and tailored to wholeness, discovery and wellbeing. A moveable feast to be enjoyed on our sunny lawn, beneath the sparkling stars, or delivered to your cottage.

IN THE  
MEDIA

“THE ROUNDTREE DOESN’T LEAN ON HAMPTONS CLICHÉS. THERE’S NO FLASH FOR THE SAKE OF IT, JUST IMMACULATE ATTENTION TO DETAIL, THOUGHTFUL SERVICE, AND THE RARE FEELING OF BEING COMPLETELY CARED FOR. BY THE TIME YOU LEAVE, YOU’RE RESTED—NOT BECAUSE YOU ESCAPED YOUR LIFE, BUT BECAUSE YOU RETURNED TO YOURSELF.”

AD

...feel as if they’re spending a few nights in their second home, which explains the warm and utterly cozy interiors. Each guest room is outfitted with wide-plank hardwood floors, a perfect backdrop for the abundance of white furniture accented in natural wood...

VOGUE

As part of my due diligence, one night I asked several guests what they thought of the property. “It’s my favorite place I’ve ever stayed out here,” one said, summing up the general consensus.

AVENUE

Once you slip down the gravel driveway, you are immersed into a lush, private paradise. The feel is completely residential — as if a friend with impeccable taste lent you their Hamptons hideaway for a few days (or weeks — you won’t want to ever check out). It’s all best described as quiet luxury. It’s like Aman opened in the Hamptons.

Condé Nast  
Traveler

Everything felt personal—as if an old friend was waiting for us to arrive. I stayed impressed throughout the weekend, from the anything-you-need service and comfortable suites to the prime location and proximity to local beaches and attractions...

CNN  
Travel

...it was like a stay at an upscale boutique hotel with excellent service and an ambiance of being at a treasured friend’s home who goes out of her way to be hospitable and has fantastic taste.

MICHELIN GUIDE

Now this is what people with country houses do on the weekends! It’s set on two acres and you can play games on the lawn or simply read a book. The beach is a mile away too, but you might be too caught up in afternoon tea to pull on your suit.
